## LETTER FOR SPONSORSHIP

Dear Sir/Madam,

HMR Institute of Technology and Management is organizing two days SPRINGER International Conference on Manufacturing, Advance Computing, Renewable Energy and Communication (MARC 2018) on July 19<sup>th</sup> and 20<sup>th</sup> 2018. The Conference proceeding will be published in prestigious book series of Springer "Lecture Notes in Electrical Engineering (LNEE indexed in Scopus, ISI Proceeding, EI Compendex)"/reputed Scopus Journal or UGC approved Journal.

The scope of MARC 2018 is to provide an International forum to promote, enhance, and stimulate International research interactions and collaborations in the field of Electrical, Communication, Computing, Manufacturing and exchange of ideas among interested researchers, students, developers, and practitioners. It aims to bring together researchers in related fields to explore, discuss and gather various aspects of intelligent systems technologies and their applications. The conference will feature plenary talks, workshops and parallel technical sessions.

Plenary features of MARC 2018 includes Springer as publication partner and renowned faculties from IIT's and NIT's as speakers and also includes eminent technical and advisory committee members from reputed organizations. The approx gathering will be 150-200 including faculties and students.

We seek your support in our endeavour to make this event a great success. Your participation as sponsor in this event will provide you a great platform for wide scale publicity of your firm/organization that includes e-publicity, paper publicity and media publicity
